

We need to know the way

Singers

Intro A1 (verse)

We need to know the way To
Reading your word we see The
live and to care for others each day Guide us in what we learn
Lives which will tell us how we should be This is our map and guide
That we may know which way to turn. We're
To follow, to stay by your side.

B1 (chorus)

calling from down Under To our living world above To
show us how to live and care for others in your love, please
show us how we should love

A2 Until that final day when Jesus returns and takes us away
We have a job to do, To show just how much we love you:
When we show love through deeds by trying our best to meet others' needs
If this is done for you Then your love will come shining through.

B2 Chorus, (repeat B1)

C

We need to know the way to live and to care for others each day
Guide us in what we learn That we may know which way to turn to You
